NOTES FROM THE PRESIDENT'S DESK

As I write this it's only 15 DAYS until our Fuzzy Pony Show. The weather has been beautiful and we may not have any "fuzzy" ponies for the fuzzy pony class, but I sure can't wait to see the rest of the classes! That also means that we are just over a month away from our first show of 2012 and it's a double points show to really get things rolling.

As you may notice in the column on the right we have lots of things going on between now and then and an opportunity for everyone to have a "free" class at the first show just by submitting your membership before May 1.

Please consider attending our workday on April 14th. We have a good list of things that need to be ready for the show like painting fence, sweeping floors, cleaning window and basic pulling weeds. As you all know many hands make light work so even if you can only come and help pull weeds in the landscaping for a half hour that helps all of us out and makes your club look really top notch.

The other big request that we always have is for volunteers. We have some folks who are always working at one chore or another and would love an occasional break and a chance to enjoy the show. If you are interested in helping with the gate, announcing, helping with registrations or even cleaning up the trash after the show all help is appreciated.

See you all very soon!

Nicole
